best letter in the boys' division. They also received a shiny new bicycle from the sports shop. They live with their parents, four older brothers and two older sisters, at 25410 Bellepointe ave., Harbor City.

Patty's winning letter reads: "Dear Santa, I'm 12 years old. I go to church every Sunday and on the Lord's birthday I always celebrate, and I also give

gifts on Christmas to my friends and family.

"I hear Hungry's people are starving and I know how it is, for I, myself, live with only my mother and my sister and brother, and my mother has a hard time keeping a roof over our heads and food in our mouths, and so I wish you would bless the people of Hungry like I'm blessing them all the time.

"The reason I would like a bike: I would like to have a bike for Christmas for I know how to ride a bike but I haven't a bike of my own, and I know that my mother wouldn't be able to buy me one with our little money we get, so I just dream.

"P.S.: Thank you for reading my letter.  
Sincerely,  
Patty Marrs."

The boys' letter reads: "Dear Santa, I'm 12 years old and I would like to have a bike of my own, so I can have a paper route or any other job so I can help my mother a little, because my mother is the only one that supports our family, and mom just had a operation. And she is not able to return to work yet, and my father has been ill for over five years and can not work. And dear Santa, my little brother, Dale, is 10 and he would like a real telescope for Christmas. And I have two older sisters. Please don't forget them; they are very good girls; and I also have four older brothers. Send them your blessings.

"But most of all Santa, don't forget my dad and mom, that have been so good to all of us.

"May God bless you; and may you have a very Merry Christmas and a Happy New Year.  
Sincerely yours,  
Richard and Dale Nieto."

over the waves a few feet off the water. The left wing tip hit the water and the entire wing was ripped from the fuselage, the craft submerged immediately.

Les Donald Arndt, 20, of Santa Monica, rescued Buzan in an outboard-powered craft after watching the accident from a nearby pier.

Searching for the missing McCowan were the Sheriff Department's aero detail, the Coast Guard, county lifeguards and a Marine helicopter.

Buzan was treated at Hillside clinic, Lomita, for shock, exposure and possible back and shoulder injuries. He was later transferred to the San Pedro Community hospital.
